Data 12-3-74 Firma *Rf.*MAINSWITCH STANDARDIZATION

Due to the many difficulties in supplying all the different types of main-switch, we have standardized them as per the following schedule.
On delivery of each requested unit, we will also supply the relevant sleeve without any additional charge.
We only need the chassis number of each car for which the mainswitch is requested.

365 GTC/4 MODEL

First 200 cars up to chassis n. 15541 - EUROPE -

Standard type : Mainswitch n. 616/740457 with sleeve n. 592/400327

Replaceable with : Mainswitch n. 616/401202 = 103518 with sleeve n. 616/740541 = 102292 = 616/740542

From the 201st car (chassis n. 15543) up to the last one - EUROPE -

Standard type : Mainswitch n. 616/401204 = 102274

Replaceable with : Mainswitch n. 616/401202 = 103518

USA VERSION

Standard type : Mainswitch n. 616/401202 = 103518

365 GTB/4 MODEL

First 30 cars up to chassis n. 12637 - EUROPE -

Standard type : Mainswitch n. 605/740406 with sleeve n. 592/400327

From the 31st car (chassis n. 12641) up to the 500th car (chassis n. 14293) - EUROPE -

Standard type : Mainswitch n. 605/740397 with sleeve n. 592/400327

Replaceable with : Mainswitch n. 616/401202 = 103518 with sleeve n. 616/740541 = 102292 = 605/740564

-Modifying the electric system as per sketch n. 605/1874 -

From the 501st car (chassis n. 14307) up to the 1000th car (chassis n. 16339) - EUROPE -

Standard type : Mainswitch n. 616/740457 with sleeve n. 592/400327

Replaceable with : Mainswitch n. 616/401202 = 103518 with sleeve 616/740541 = 102292 = 605/740564

-Modifying the electric system as per sketch n. 605/1874 -

From the 1001st car (chassis n. 16341) up to the last one - EUROPE -

Standard type : Mainswitch n. 616/401204 = 102274

Replaceable with : Mainswitch n. 616/401202 = 103518

From car chassis n. 13893 up to car chassis n. 14393 - USA -

Standard type : Mainswitch n. 605/740397 with sleeve n. 605/740393

Replaceable with : Mainswitch n. 616/401202 = 103518 with sleeve n. 605/740564

-Modifying the electric system as per sketch n. 605/1874 -
